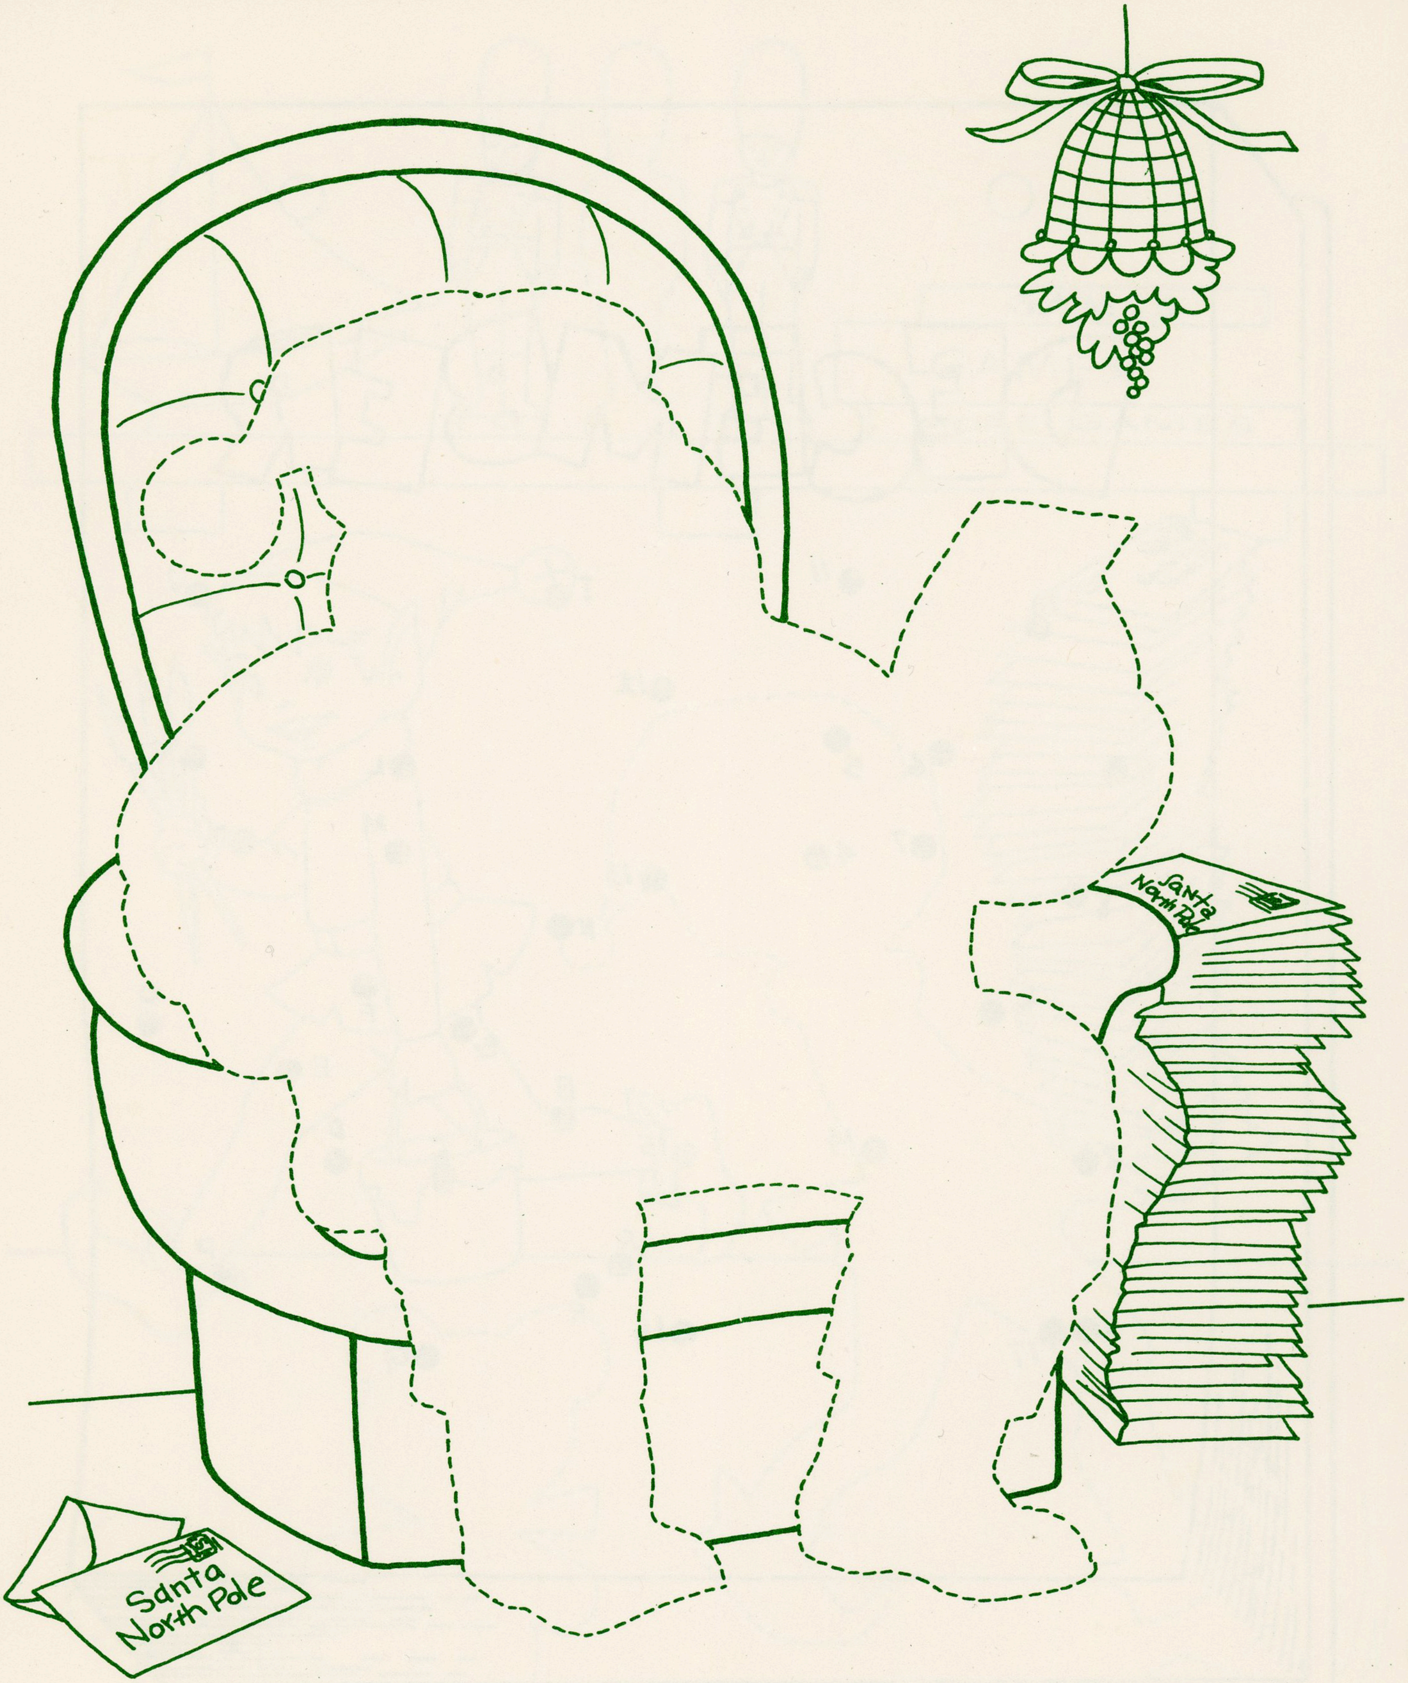
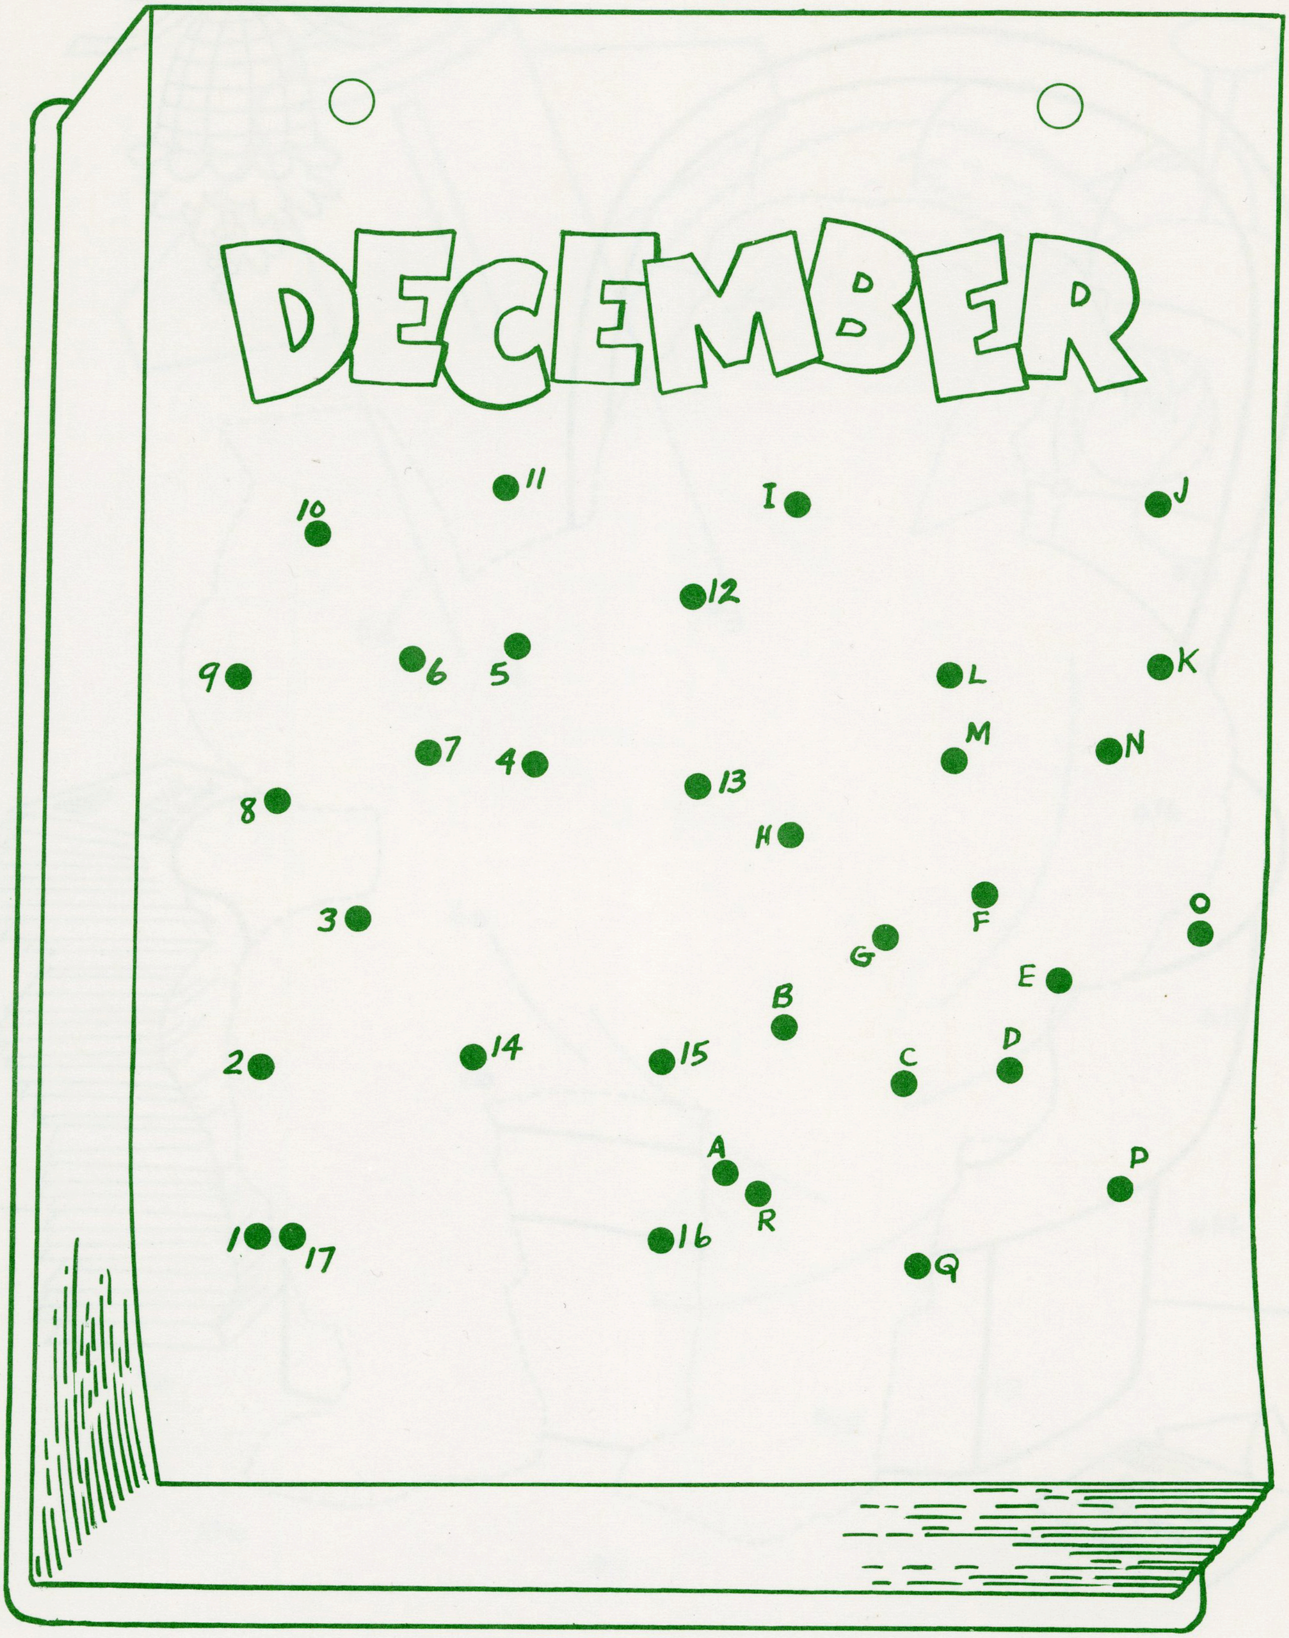
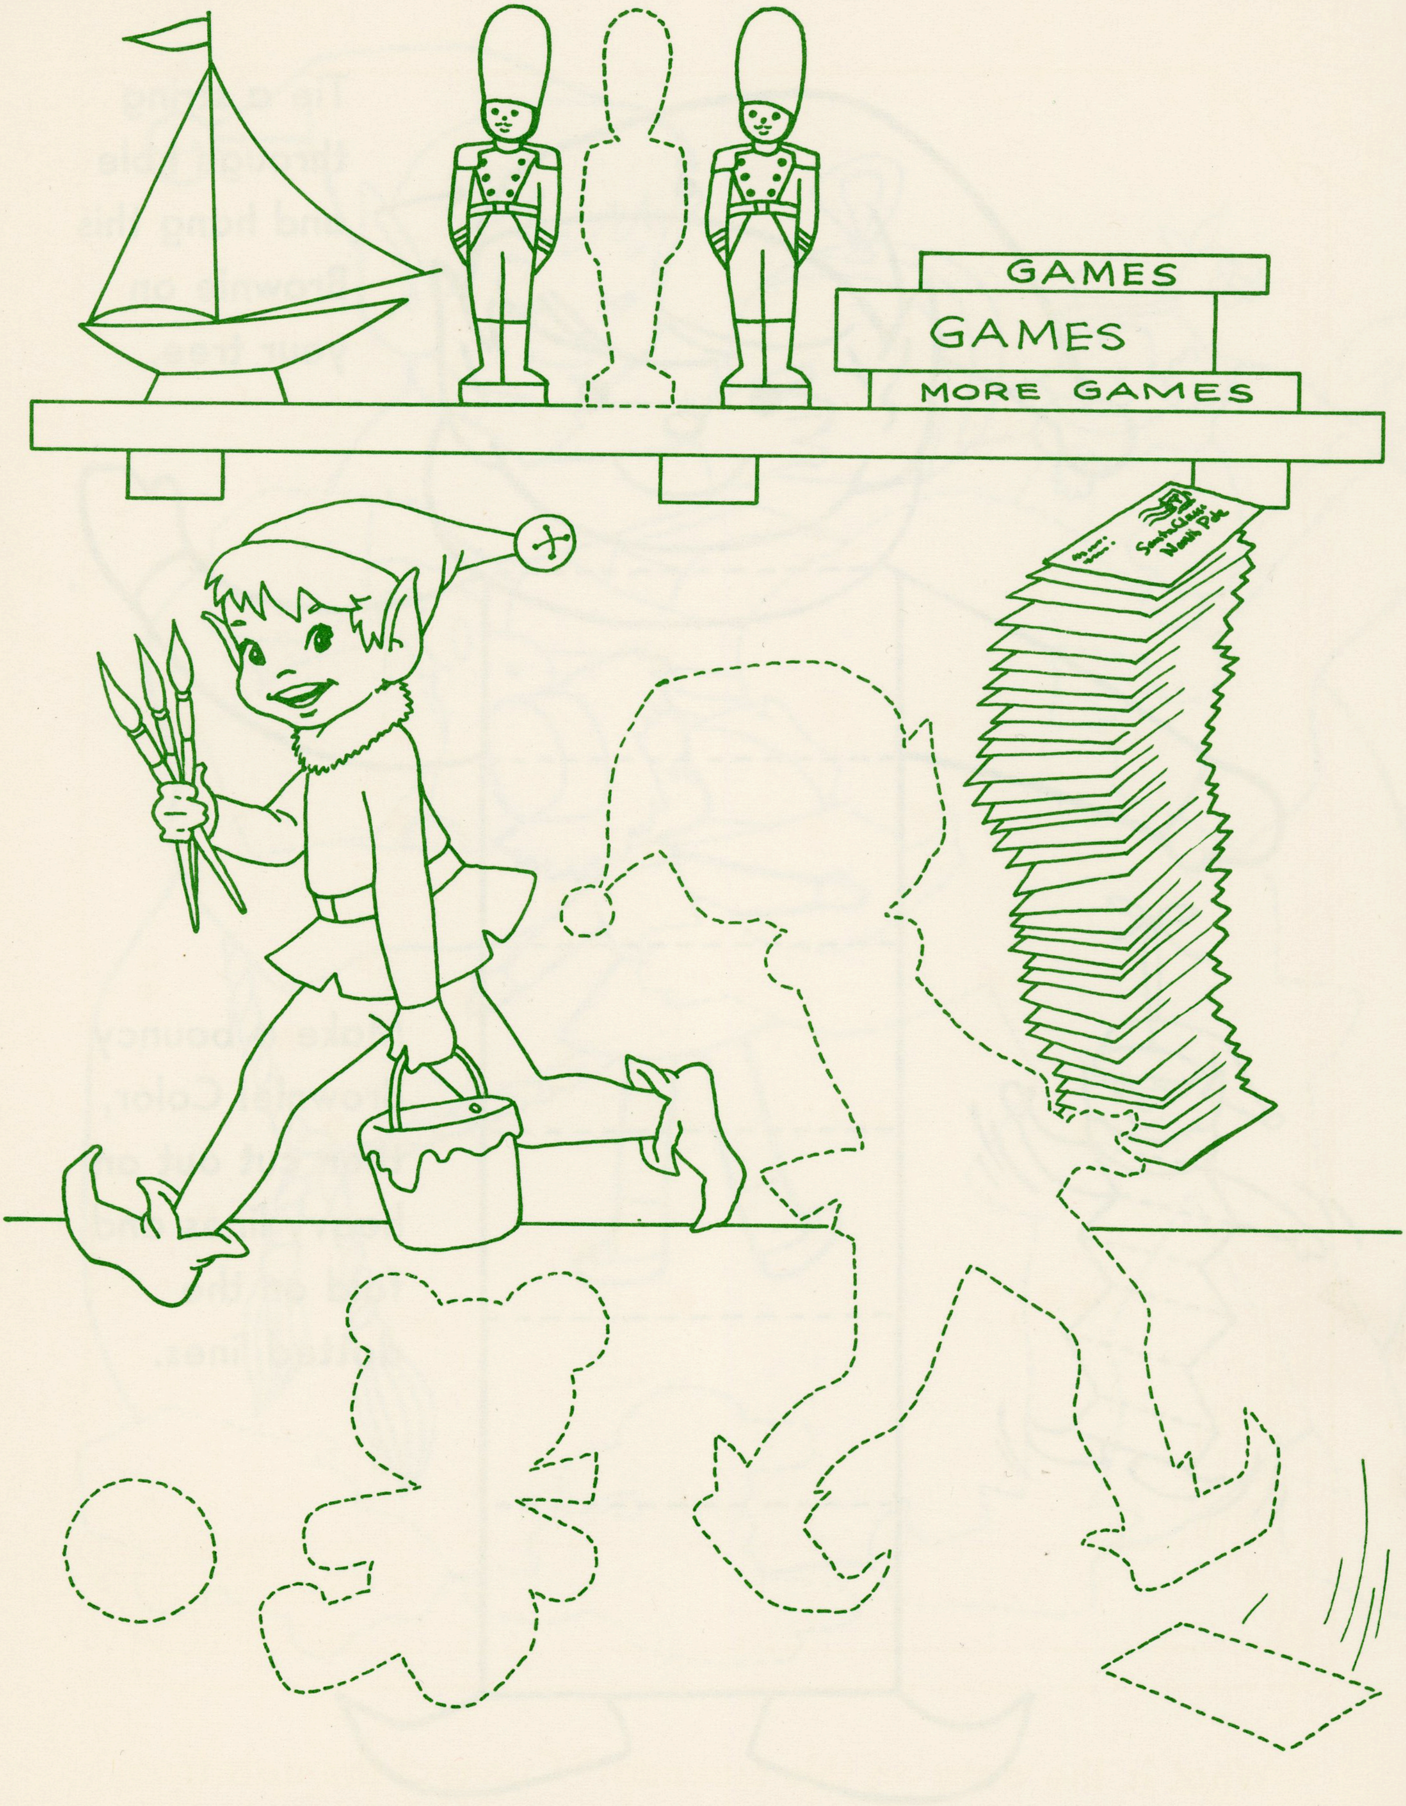
space ship, a candy cane, a big orange to squeeze.



Santa reads all of the letters you write,
And plans what to bring you on Christmas Eve night.



What is the date on this calendar? Connect the dots from 1-17 and from A-R and you will see. Do you know whose birthday this is?



In the meantime, the Brownies are scurrying around,
Helping Santa get ready for his trip to your town.

Tie a string through hole and hang this Brownie on your tree.

Make a bouncy Brownie! Color, then cut out on heavy lines and fold on the dotted lines.
